## Compare & Contrast Worksheet

### The Twins

Marc and Marcus are twins. They are both in standard five. They look very much alike but are very different in many ways. Marc likes sport and you would always find him outside playing football or cricket. He is very popular in his school. He is very outgoing and is part of the drama club. He hopes to become an actor. While his brother, Marcus prefers to spend time reading books about animals. Marcus wants to become a veterinarian. He loves animals and has three pets, a dog, a lizard and a hamster. Both boys like pizza and going to the beach on weekends. They live near the beach and would spend hours playing in the water.
