New Kid in School

Gina moved to Tobago. The next day her mom took her to school to meet her teacher. The teacher, Ms. Alexander, was a friendly lady. She said, “Welcome to our school, Joan. We are happy to have you in our Standard 2 class. We start the day with a prayers and songs of praise to God. After that, we read and write. Then, we do mathematics. Then you have recess. When you come in, we have General Science or Social Studies. Lunch is at 11:30. Then we have story time. After story time, we have Grammar. Then we all go to the Art room, where you we paint, draw, or make pottery. Next is spelling and finally vocabulary. Here is a schedule for you to take home. I’ll see you tomorrow.”
